Key Features:

League approved and used in BAPTO tournaments, World Championships, Counties finals, French Championships.

AccuVend - Patented system ensures players receive a full time and no balls are left stuck in the table.

ProActive cushions and Aluminium extruded top frame for quality and consistency of play.

Options:

TriBand - battery powered variable pricing gives the **TRIBAND** to automatically increase POP to boost revenue at peak times, or to lower POP to encourage footfall during slack periods. 20p extra per game on Friday & Saturday nights can boost income by £500+ a year. Canopy packs, chrome security bar and Palam trolleys available.

Available Finishes:

Real wood veneer with solid wood legs stained to Mahogany, Hazelnut, White, Black, Silver
